

# Preschool

**These are our Favorite Five things to support learning this week:**

**1. MATH:** [Career Sort game](#)

1. Cut out all the cards. Have kids or older siblings help.
2. Lay the Career cards face up on a table. Lay Career Object cards face down.
3. Start by talking with your child about what each career does. Then, have her pick up a Career Object card, and match it with the right Career which uses it. Describing what the object is will help build young children's vocabulary!

**2. WORD WORK - BEGINNING SOUNDS:** [Play GO FIND IT!](#)

1. Cut out the picture cards. Have kids or older siblings help.
2. Remind child that the beginning sound is the first sound we hear when we say a word. Give sample words and help child hear the beginning sound. For example, say "Let's say 'dog'. At the beginning of 'dog' I hear a 'ddd' sound, 'ddd dog'. You say 'ddd dog'."
3. Have child choo

**3. EXPRESS - STORY TELLING:** Story telling jar.....

**4. READ:** Read aloud 20 mins or [watch Michelle Obama read The Gruffalo](#).

**5. WRITING:** Write the letters V, W and X in front of your child, then have him write the letters.

Practice naming and writing these letters through the week. Review A through U from before.
