

**FAVORITE
FIVE**

K-1st

These are our Favorite Five things to support learning this week:

1. MATH: Classify It! AND Color by Addition

- Roll the dice and add them up.
- Choose one classification hexagon on the board which matches the total they have rolled. They cover this hexagon up with a counter.
- Cover all hexagons! Repeat!

2. WORD WORK: Roll a digraph AND Reading Words Game

Roll a Digraph: Roll dice and move to first word which starts with that sound

Reading Words Game: Cut out cards. Pick a card and move to the word. MAke sure to read the word out loud. How many times can you play?!

3. WRITING: Write Story

1. Write about a ship which would take you somewhere different than you are. How much detail can you add?

4. READ: Read aloud 20 mins or [watch a read aloud book](http://www.theindylearningteam.org). (at www.theindylearningteam.org)

5. JOURNAL: *You Are Making History: Global Pandemic Guide*
